“ It was my pleasure caring for Elida in recent times. She had such a lovely disposition and maintained mental sharpness and attention to detail. She enjoyed the simple things in life. As I read her obituary I am so touched by her devout Catholic faith. May God and the Blessed Mother pour down their graces on her family in this time. It is apparent what good care you provided for her. She had a gentle heart and I always looked forward to our telehealth visits. I will miss them as I am now back from maternity leave. I gave birth to my son on April 14, 2021. Jack Joseph Rutkowski. We chose the middle name Joseph due to Pope Francis's declaration of 2021 as the "year of St. Joseph". A strong patriarch and beautiful representation of striving to be a holy family.

Please know I am thinking of you all,

“ I met Elida on 3 occasions when she came out to Washington state to visit her son Mark and his family. I very much enjoyed talking with her - she was most gracious. The fact that she could do Sudoku puzzles and I could not, and I was almost 20 yrs. younger than she, well, that was impressive. On two of the 3 occasions she came out at Christmas time. Both times we had a lovely meal on Christmas Eve, and afterwards, exchanged small gifts. One Christmas, Miles and I accompanied her to Midnight Mass (at 9:00 pm!). Christmas Day was jigsaw puzzle time and we all worked on it at one time or another for most of the day. I had to leave before she got back on a plane to Kansas (by herself, no less) but truly enjoyed the time I did get to spend with her. Once she got back home, she emailed(!) me a Thank You for the gift I had given her. A classy lady, indeed.

“ My parents thought the world of Elida. She was a part of their close circle of friends who created many wonderful memories together.

My memories of Elida as I grew up were that she was kind, warm and welcoming (and always had a smile on her face).

“ My heart goes out to my good friends, Mark and Lori, on your loss. Your Mom, Elida, was the best and you were blessed to have her so long. Spending so much time at Mark's, I imagine that Elida made hundreds of lunches for me. She was so thoughtful and caring. When Mark and I were camping in his backyard, a storm came up in the night and blew our tent down. We were soaked. Elida got up in the middle of the night and made sure we had dried off and made a bed for me. We were warm, dry, and asleep in minutes thanks to Elida. She was a really cool lady, too. The first stereo and Beatles album I ever saw belonged to Elida. Rubber Soul. Bless her soul.

“ Elida was a gracious and cheerful woman. During the Ward Parkway years in the 1950s and 1960s she warmly welcomed neighborhood children into her home to play with Mark and Lori. She was like a second mother to me, offering encouragement, love, and words of wisdom. I have great memories of Elida, Lori, my mother (Ona Maydew), and I making trips to Kansas City to shop. We often laughed so hard we couldn't stop. The same group plus Mark and my brother Ken went to the 1968 HemisFair in San Antonio. What fun we had! I am grateful to have known Elida so well and will miss her. My deepest condolences to Mark and Lori.

“ My heartfelt sympathy to Lori and Mark and all the family members in the passing of Elida. I treasure my long-term friendship with Elida over the years, first meeting her when I began working as a speech-pathologist with Ed Gibbons as my boss at The Capper Foundation in Topeka. I had the pleasure of continuing to visit Elida at Santa Marta and share greetings and updates with her during phone calls. I remember Elida's faithful grace and kindness--and I was charmed, as we all have been, by her signature frequent, gentle, and happy laughter during every conversation. During our visits she shared her delight and love for Mark and Lori, Miles and Avi, Rocco and Indra, and all of her family.

“ Elida was a dear friend & neighbor of many years. I'll always remember the wonderful times that six neighbor couples celebrated all 12 birthdays together each year. After Ed passed Elida & I did some social things together. I loved her smile & innocence. We laughed a lot. Her move to KC was so good for her, but sad for her neighbors in Topeka. My thoughts, love, & prayers go to Mark & Lori & their families.

“ I met your mother through Ed and Topeka South Rotary Club. Elida was a wonderful lady and I always enjoyed visiting with her at various Rotary functions as well as other community events. I remember several of us Rotarians going to her home in Topeka sometime after Ed's passing to sing Christmas Carols to her and seeing that sparkle in her eyes and smile. Please accept my condolences. She will be missed. Roger Underwood
