“ I used to work with Liz at Frito she worked hard and never had a bad thing to say about anyone, she loved her kids and always talked about them, I would see her from time to time when she left usually playing pool somewhere 🥰. You will surely be missed by anyone who had the privilege of knowing you , rest easy my friend

“ I became acquainted with Elizabeth having played on a number of pool teams with her. Liz was always upbeat had a great sense of humor and was a great competitor. On behalf of all your "pool playing friends", (and there are many), rest in piece, you will be missed.

“ Tommy and family. Words cannot express the loss you feel. Your mom was quite the lady. She came to see me when I had my surgery, to make sure I was okay. I remember when she brought you to one of the Frito-lay parties. She made sure to let everyone know if we needed a ride you would be our DD. She was very proud of you. She was a kind Hearted lady and would do anything for anyone. She was fun to be around. I know you and your family will cherish every memory and keep your mom close to your Heart. I will pray for you and your family.
