“ I have many great memories of the Glettig family. Betty's Dad and my Dad both worked at OHSE Meats. We became neighbors in 1953. I have known Betty for 68 years. Her Mom drove my Mom to the hospital when my sister was born, as my Dad had just got home from heart surgery the day before. She, her Mom and Dad, were great friends to the Morehouse family. To me she was family. A picture of a good neighbor, a woman of strong faith, caring, giving, loving heart, and a wonderful friend would be a picture of Betty. The last two years our time together were only phone calls... I will miss the calls. GOD bless Betty and her family.
