“ *Vickie & Mike, Kellie & Greg, Bernie, I am so sad to hear the news that Betty was called to heaven. I had no idea she was sick. I know the intense sadness you all feel. I will never forget her great smile, (inherited by both Vickie & Kellie) nor the wonderful kindness & generosity she gave to others. And of course who could forget her famous taco parties for Vickie & junior high school friends. I will also treasure her great sense of humor(Also a trait of Vickie & Kellie). So really, your mom lives on in a part of both her daughters and grand-daughters. Hold tight to your memories, especially the ones that made you laugh! She will continue to live on in the hearts and minds of all who knew her. May God hold you & your family close in the palm of his hand.*
