“ We were saddened when we heard about Erin. Erin was a sweetheart. She was so passionate in her own way. I just attended her 30 Birthday her, she showed me how old she was by holding up her candles of a 3 & 0 she was so happy to have her friends in attendance. Erin will live on. RIP. Your Neighborhood friends.

“ *Years ago, I worked for a short time at SHES as a substitute. Erin was in one of the classes that I helped with. About 2 years ago, I was having a garage sale, and Erin and her father happened to stop in. She recognized me and asked if I was a teacher! This was about 15 years after that first and only, brief meeting when she was in elementary school! I was totally amazed by her memory and so pleased that she shared that. I imagine this sweet soul touched more lives than you will ever know. I am so sorry to hear of your loss.*

*Gigi, Byron and Kayla, we were so saddened to learn of Erin's passing. A number of us remember working with you well before Erin was born, and sending good wishes, thoughts and prayers as Kayla battled her severe health issues some time ago. We remember how sleep-deprived and dedicated you both were as parents, and grieve for the heartache you all share now. Memories become more precious than gold.....remembering the good times, smiles and laughter shared. Thoughts and prayers are with you all at this very sad time of loss. Sincere sympathy,
