

Eugene "Gene" Frazier

May 8, 1933 - March 25, 2025

Eugene A. Frazier, 91, Topeka, Kansas, passed away on March 25, 2025. Gene was born May 8, 1933, in Mobridge, South Dakota.

Gene grew up in Mobridge, but lived most of his adult life in Kansas, living in Dodge City, Olathe and Topeka. He married Kathleen Buss of Stockton, Kansas on November 25, 1952. Kathleen preceded him in death on October 28, 2006.

Gene moved to Stockton, Kansas as a surveyor for the Corp of Engineers to build the Webster Reservoir where he met Kathleen. After 11 years working in the oil industry, Gene became an insurance adjuster in 1965 in Dodge City. He retired in Olathe from Safeco Insurance in 1995 and relocated to Topeka in 2007.

Throughout his life, Gene had many interests, including reading, model railroading, KU Sports, rodeos, Masonic Lodge and the Episcopal Church. Gene always had a natural knack for conversation, he would talk to anybody and everybody about anything, as he never met a stranger.

Gene loved his family, and they were very important in his life. He enjoyed being a grandfather and was exceptionally proud of all his grandchildren's accomplishments. He was greatly loved and will be greatly missed.

Gene is survived by his son, Robert Frazier (Sharla) of Charlotte, North Carolina; daughter, Terry Martinez (Joseph) of Topeka; five grandchildren; nine great-grandchildren; and brother, Gordon Walther of Puyallup, Washington.

“ When I read the phrase, "He never met a stranger", I thought that was just a perfect way to describe Gene. I met him some 10 years ago and spent a good amount of time with him as we shared some mutual interests. He was so upbeat and a wonderful storyteller. I'll really miss his warmth and humor, truly one of a kind.

“ I only met Gene Frazier once. It was on the occasion of my daughter Krista's 2004 wedding to Gene's grandson, Bret Frazier. I found Gene to be a very likeable man and I know he was a good man because I've never been with Bret when I didn't hear a Grandpa Gene story or hear Bret on the phone with him. It's always been clear that Grandpa Gene was a special figure in Bret's life. That kind of special bond only forms with a special man. My sympathy to all who knew and loved him. Gene Birocco

“ *I have known Gene for many years. We and others were part of a bible study group back in the 80's. He was also one of our regulars at the Hanover Pancake House on Fridays. Gene had many stories to tell. May God be with all his family at this most difficult time. Gene, we miss you and love you.*
