“ Dear Kyle & Family, Gary & Family, and Sheryl and Family

*Sue and I only wish that there was something that we could say or do to ease the pain of your loss, but we know that words do not mean much to you at this time. I am really going to miss the visits that I had with Gene. He had such a great memory and could tell stories of days gone by that made me almost feel like I was living them. You are in our thoughts and prayers. See you when we get home from Ohio. Love Junior and Sue.*
