“ *I also have many fond memories of times spent with Eva's family. She was always friendly to everyone and had a smile to share and maybe a funny story. It was always a pleasure to visit with her and her boys. Larry and Mike, I know what it is to lose a parent, out of all the pain of watching them suffer, you know they are not suffering any longer and are in a better place than we are. I just happened to read the Great Bend Tribune and see the obituary. You have our deepest sympathy and prayers.*

“ I was sorry to read of Eva's passing in yesterday's newspaper.

I always enjoyed going to her apartment as she always was enthusiastic to show me the latest quilt she had finished, the one she was currently working on and then the one she was cutting out to start. She certainly took a lot of pride in her beautiful work and she has left many treasures for her memorial.

While her illness kept her confined much of the time while at RoseHill, I knew she was a special lady.

Sending you my care and sympathy at your loss.,

Sincerely,

Carla Opliger
