“ *My deepest condolences to your family. Eva was a friend whom I got to know when I began visiting her mother, Bernice. I was very suprised and saddened upon learning about Eva's death. Your family and Bernice will continue to be in our church families prayers. God's blessings and peace during this most difficult time.*

“ Greg,

*I don't know if you remember me, but I babysat for you and Jeff during the summer when you both were in grade school. I had talked occasionally with your mom before she got sick. Your family has been through so much suffering and I hope the prayers of family and friends will bring you comfort and peace. Your mom was very special.*
