“ *Evelyn came into our lives as a Hospice volunteer for my mom, who passed away in November of 2014. What a gift! Your mother was compassionate, caring, loving and supportive. Mom (another Evy) appreciated her consistent, peaceful presence each week for nearly a year at Pine Village in Moundridge. She sent us a precious card on the first anniversary of Mom's death. I had planned to take some flowers to her on November 9 of this year. Your mom made a wonderful difference in many lives! We feel fortunate that our paths crossed.*

Thoughts and prayers are with your family as you remember and celebrate a life well-lived.

Blessings,

“ *Our family was saddened to hear of your sweet Mother's passing. Your Mother was a ANGEL to our family as she sat with our Mother Gladys Schneider when ever we need her to. Evon, Gladys care taker & daughter, would take the Hutch news to her to read so she could keep up with what was going on in the area. The Schneider's lived on Christian Ave in Moundridge by the railroad tracks. Our whole family simply loved your Mother dearly. We are so thankful that our paths crossed in this journey on earth. God comfort each of you as you learn daily how to live without her. Our love and prayers are with you.....

Thank you so much. She felt the same way about your family. Evon was always so sweet to her. She let mom bring me over to the house by the tracks so I could see it again. My grandma Krehbiel (mom's mom) lived there and I was so happy to see it again. She loved her work with Hospice and met so many wonderful families, like yours. Thanks again for your kind words. We will miss her dearly.

“ To dear Evy's family,
We are saddened to hear of your mothers' passing. I just visited with Robin recently and she said Evy was in Topeka now so this was a shock! Your mother was our neighbor on maple street in Moundridge and we loved her dearly! Our children would help her with little chores now and then and it was always a pleasure to just have her walk over for a visit! God blessed you with a wonderful mother and tho you will miss her you will have many memories to cherish.
Love n prayers
