“ Mr. Cook was my principal and sixth grade teacher at Polk Elementary. I learned many things in my time there--having a new student whose family had escaped Hungary, and how to handle things in our lives new to us at that time. I know you won't remember, Tracey and Kevin, but I babysat you when you lived on Mission. Somehow I think Mr. Cook is making new friends and meeting old. Grateful to have known him, God bless you.

“ I was so surprised and saddened to learn of Everett's passing. He was such a good neighbor and friend during the years he and Ruth lived on Village Drive. He always had some good advise or interesting facts to share. I admired his lawn and gardening skills that seriously put mine to shame. He was truly a good man who loved his family. We will all miss him. I'm so sorry for your loss.

“ I send my deepest sympathy to Mr. Cook's family. Mr. Cook was my substitute father after my father was killed in 1949. I was in Mr. Cook's 1950-51 6th Grade class at Gage Elementary School.

I not only received an education from Mr. Cook, I also learned the importance of being there for people in need. He also taught me that a person had to do their best to become the very best.

I was very fortunate to see Mr. Cook at the Topeka High School, Class of 1957, 55 year reunion. I was able to shake his hand and tell him "Thanks for being there".

Sincerely,

“ Dear Ruth, Tracey, and Kevin: I am thinking of you during this time and grateful that I knew Everett Cook. My memories include the annual New Year's Eve parties, which I looked forward to so much as a child, in the 1950s and 1960s, with your family, the Rages, Timkens, and my family, the Grahams. I don't think any of us missed one year, and our families would take turns hosting. I also remember the annual principal picnics at Lake Shawnee, where we would all be together for a big breakfast and a time of community. I celebrate the contributions Everett Cook made as an educator in Topeka. Praying for comfort in this moment and in the future.

“ Ruth, Kevin and Tracy - I was so sorry to hear of Everett's death. My mother and father, Alta and Delbert Graham thought so highly of him, and I have such fantastic memories of the times our families spent together when I was a child, especially those New Year's Eve parties with the Cooks, Rages and Timkens. My heart goes out to all of you, and my thoughts and prayers are with you. He was a fantastic person, so highly respected in his chosen profession, and will be greatly missed. Debra (Graham) Neal

“ Ruth, Tracey and Kevin,

We are very sorry to learn of the passing of your husband and father. Everett will always be remembered and loved. My childhood is filled with memories of the times our families were together. The Cooks, Grahams, Rages and Timkens were faithful friends. Growing up, I can't remember a New Years Eve that the gang didn't get together. The evening was always filled with laughter and fun. That reoccurring party must have continued for well over 30 years.

My Dad loved to party and now Delbert, Lloyd, Tink and Everett are together. In my Dad's words..."The Party's Just Begun!."

With Loving thoughts,

Thank you Bill. Sparky is still a mystery. He loved taking you fishing and filleting the tiny little fish he'd catch. You are right. He never had a bad outlook on anything. He adored you and respected the man you became.

“ Kevin,

We're so sorry to hear of the passing of your father. It is a part of life that is filled with sadness and lots of looking back. May this time be filled with good memories and gratitude for the relationship that you had. I didn't know your father, but because I know you fairly well, I must assume that he was a really good man and father.

Sincerely,

To the family my deepest sympathy. From Sarah Guffy and kids. They all attended Southwest Avondale and Mr. Cook was our principal. Every time I saw Mr Cook he told me how good my kids were. We would have a laugh but he insisted. The last I saw him was when I worked at Sam's club. His beautiful wife would thank me for keeping him busy while she shopped. Everett we could talk for hours. Thank you for being in my kids life's. RIP.
