“ *Happy birthday Aunt Frank! 🎂 I love and miss you dearly. My favorite memory with you, is when my Nanny (Morris) and I came to visit you and I remember we always fed the raccoons that would come up to sliding glass doors! I remember how cute it was that they always knew when you were going to feed them. I always had so much fun when we would come up there to visit with you. I love you so much and I really going to miss you! ❤️*

There is a saying in Tibetan: 'Tragedy should be utilized as a source of strength'. No matter what sort of difficulties, how painful experience is, if we lose our hope, that's our real disaster. - Dalia Lama. I love you Grandma.

Fran, it's been raining most of the day and I know you probably had a little something to do with this. I know that this rain will make everything grow and prosper, everything in your flower gardens at home will be beautiful soon!!
