“ *I am so thankful that I was a part of her life even for a little while. She always made me feel welcome. I remember she called me when my daughter's fiancé was killed in a car accident 17 years ago to tell me how sorry she was for our loss. About 7 or 8 years ago, I went with Aaron & Reid to see her & she gave me a couch back runner that she had made. It was the perfect color & I still to this day have that runner on my couch. She was a great lady! Jerry & I send our thoughts & prayers for peace, comfort & healing.*

*I took this picture of mom just last July. She loved the softness of this play mat (made for her great grandson, Maddox) and she came to life and her eyes were shining with delight as she stroked it and marveled at "all that personality" of the penguin. It was so wonderful to share this moment with her. Wonderful, fond memories. Love you lots, Mom!

Was sad to hear of Francis' passing. She was a second mother to me growing up. I visited her once in the nursing home and she sent me home with one of her precious teddy bears which I will always cherish. I love the Oblander family and I have so many wonderful memories of them. May God comfort all of you during this time. It's so hard to lose a parent. Rest in peace sweet lady!!
