“ *Sue & family - I had the privelege of working with your Mom for nearly a year. She was a special lady who will be missed by her neighbors and the staff that was able to care for her. Thank you for being such a wonderful daughter to work with. If I can do anything to help you, please let me know.*

“ *Sue, you're in our prayers. You took "special" care for your mother and I know you will miss her. She's in a special place and at peace. Take care and God bless.*
