“ How do we say goodbye to the force of nature that was Fran Yaeger??? She was my closest friend for over 50 years and, honestly, I was closer to her than my own sister. I always thought of her as my "soul sister!"

Where do I start with the memories? We loved to travel, and those trips with Fran and Vern were the best. Hawaii, Turks & Caicos, Mexico, The Blue Ridge Mountains, Toronto, and we cannot forget Clarksville, TN!

Hopefully, she's having a vodka tonic somewhere wonderful and warm!

“ John, Family, and Friends; I am sorry to hear about Fran's passing. As one of John's friends who got to get to know her through visits to her house, or at some of John's celebrations, she was always such a nice lady to me, and interested in what I was up to.

“ John and Stacy. Sending you my deepest condolences! Fran was a talented lady. She was superb at her profession and kept L. F. Miller Construction running at the top of their game. She worked for me when I still owned a building for many years. Bless her. May she rest in peace. Will you please extend this to Vern.

“ *We will miss Fran. We always shopped for Pralines and an embossed sweatshirt when we traveled to Hilton Head. We shared a love of that place.*
