*I am so sorry about Frank and did not know that he is Linda's brother. I knew Frank from Southwestern Bell, but more so because of time spent at Jerry Edmonds home back in the 80's. My sympathy to your family during this sad time.*

“ We are shocked by the news of Frank and all these fabulous memories of him and my brother Mike come rushing back. He was a man who endured much physical obstacles but you would never know it to be with him. He brought much joy to those around him even if you did not know him very well and he was always interested in what way going on in your life and the lives of your family. Our deepest sympathy to the Picolet family and his many friends.
