“ *So sorry to hear of the loss of your husband -- you didn't get the preparation time that I did when my husband died in June of this year -- either way, it's not easy. Between your church and your friends it makes life a bit easier. Just be sure to ask for any help that you might need -- people want to help but sometimes don't know exactly how. My prayers are with you. Jo Fiegenbaum (from WU Education Dept)*
