“ *Carline, I am so sorry to hear of your loss. We are so glad we had the opportunity to meet and spend a little time with Gary at Dad's funeral (Buster Brown)last year. During that sad time, it was so nice to meet some of our Kansas family. Please know that you are in our thoughts and prayers during this difficult time.*

“ *Carline, my thoughts have been with you often during this difficult time. I hope you can take comfort in knowing how highly we at BNSF regarded Gary as a person, friend, and co-worker. I am grateful for the time we spent with him last week. You and Gary and the rest of the family were extraordinarily gracious in allowing us to visit, and share our many memories. It is something I will always cherish. If you ever need anything, please don't hesitate to contact me or any of your friends at BNSF.*
