

Gene Owen

February 2, 1964 - December 27, 2024

Gene Edward Owen, 60, passed away Friday, December 27, 2024, in Topeka, Kansas. He was born February 2, 1964, to Eugene and Linda Owen in Springfield, Missouri.

Gene met his wife, Jennifer Owen, and they got married April 18, 2008. They brought a daughter, Halle into this world and she became Gene's everything. He loved watching her play tennis, but especially loved spending time with her. Anything she was doing; he wanted to be a part of.

Gene worked in Sales at the Radio Station in Topeka for 28 years. He had the most contagious laugh, the strangest sense of humor, very quick sarcasm, the goofiest taste in movies, and quite the taste for bourbon and cigars. He loved anything outdoors, especially gardening, which his family is very sorry for killing all his plants, but they will do everything they can to keep his banana tree alive.

Gene is survived by his wife, Jennifer; daughter, Halle; parents, Eugene and Linda Owen; brother, Tony Owen; and several aunts, uncles, and cousins.

A Celebration of Life will be at a later date.

Memorial contributions may be made to Jennifer Owen, for their daughter's

college education, and sent in care of Kevin Brennan Family Funeral Home,
2801 SW Urish Road, Topeka KS 66614.

Condolences may be sent online ay www.kevinbrennanfamily.com

“ I am so sorry for your loss. We knew Gene since the Leprechaun Lawn days. He would come over and sit on the couch with his legs out stretched and our kids would slide down his legs like a slipper slide and just giggle. They are in thier 30s now and still remember Gentle Gene our giant Eternal rest grant unto him, O Lord, and let perpetual light shine upon t Him. May he rest in peace. We are very sad that we lost a wonderful soul here on Earth, but Heaven gained a Saint. Brad and Linds Sloan

“ If you ever were to find yourself covered in blood and dressed like a bum and can't express a complete sentence because your on painkillers and look like you just got ran over in any alley bind Fillmore Street.

That would be really weird.

But Gene would take care of you.

If I found myself in that situation today I would not know where to go.

I did before,

I miss Gene.

This all sucks.
