“ To the George Fultz Family,

We were both saddened to learn of your loss. It is also a great loss of a friend of ours. The thing Denny remembers most about George was when Denny was in the hospital and George was AZ. George drove all the way back to Iowa City, IA because he learned that Denny was so sick. He slept on a couch that night in a waiting room so he could see Denny. That is a true friend. We enjoyed meeting the entire family and it was an honor to know George. When Denny was the manager of Hendrix Acres, he nicknamed Denny, "Coach". We did have a few laughs there. George even taught Denny how to play "Pitch". When we or just Denny would come to Topeka, he was always happy to see us and find the time to spend with us. He was a true friend and a great person. We will miss him dearly. We will pray for all of you to accept the fact that he has done all he was supposed to do here on earth and now he is in heaven with Heavenly Father. God Bless you
