“ George and I always had a good time in OA. George encouraged me to be lodge advisor and later, section advisor. I don't think I would have done those things without George's support and encouragement.

I'm sorry to hear of George's passing. I cannot be there, because I'm in the middle of the Caribbean at this time, but my thoughts are with Gary and Delores.

“ My son and I have been active members of the Order of the Arrow. Every memory we have of George, especially during fellowship weekends, reflect his love of Scouting, the scouts, and the brotherhood and bring a smile to my face. It was less than three months ago at an OA Cracker Barrel at Camp Jayhawk during Fall Fellowship that George was fully engaged in the story and joke telling and directing the kitchen operations for one tasty meal after another. A big part of those memories also include you, Gary.

We will miss George and his humor and his love of Scouting very much. Our thoughts and prayers are with you.

“ My family and I are sorry about your loss. We have been supporters of hockey in Topeka since the beginning and had the wonderful opportunity to meet George. I saw him at one game this year and it saddens me to know that we won't have him to support hockey anymore. I'm sure he'll be watching from his wonderful new home though. Please know that you're in our thoughts and prayers. Kay, Jim, Christian & Cheyanne

“ We are saddened by the loss of George. I have always enjoyed our conversations together. He was a true believer in the Boy Scouts. Kaitlyn will miss her “Papa George”. It is sad that she will not get to know him better and love him more as she grows older. He was a good man, devoted to his family and to the organizations that he supported so faithfully. He will be missed.

Our thoughts and prayers are with you all. If we can help in any way, please let us know.
