“ Marsha and Family:

I am so sorry I cannot attend this service. You have struggled through this a long time. I hope that knowing others care about you will somehow make a difference.

Linda and Jerry:

Again I find no great words but you have stood by these kids and supported them daily. I know your hearts are breaking and I am so truly sorry.

“ *Never more true that now...
Do not have to be blood to love someone like a brother....it hurts all the same when you lose them.*

You will be missed more that anyone will ever know.
