“ *Britta, I was so surprised to read your maiden name in the notice in the loss of your husband. It has been many years since we worked together at SWBT. We also belong to CTK and lost a daughter in Mt. Calvary. I am so sorry for your loss. My kindest personal regards, Nancy Redd*

“ Britta and Danny Boy. I can't be there for the services and I know you know why. I will surely miss my dear friend of 35 years. It seems like only yesterday we were playing football with our boys in your front yard in 1975.
George will be looking down on us probably hot rodding around in an old Camaro with lots of horsepower. Maybe he can talk Gretchen into buying another Buick. I hope they run into each other above this earth, if that's where heaven is because for sure they are both there.

“ Britta, Dan and Family,
We are unable to attend the services, however, please know our thoughts and prayers are with you. We will miss the wonderful friendship with George we have enjoyed for so many years. What fun and laughs we have shared and the rowdy card games we competed in. We are here for you if you need to talk at any time.
