“ Ed & Lisa, I remember when I 1st met Jerry at work many years ago. He found out I was a Christ the King parishioner and told me his son lived out of state but had started tithing CTK because they were moving back to Topeka and they wanted their daughter to start kindergarten there the next fall. He was so happy to have you back in Topeka and back in the Catholic schools. Gary taught both Michelle and Steven years ago at CTK, and they're both grown adults, with Steven following in his Grandpa's footsteps! He was a wonderful Christian gentleman and I know he was always at the kids' events at CTK and Hayden. May he rest in the Lord's peace.

“ Dr. Ed, please accept my sincere condolences ---- I always considered it my privilege to be able to call your father a friend --- my favorite experience was when he, Harry and myself traveled together for depositions in Kansas City and then to Denver for arguments before the Tenth Circuit Court of Appeals (there it was my honor to introduce Jerry for induction into the Tenth Circuit's bar). He was truly as good of a person as one could find. Ken Crockett
