“ *Dear Bob and Elaine, Harriette and I send our condolences to you upon the death of your mother, Bob. We are so sorry. Harriette always enjoyed visiting with your mother when she was volunteering at Brewster. Geri even gave he a tour of her apartment in the Main Bldg. I sent Wood an e-mail last week when the short obituary was published and I know he intended to contact you. We plan to attend the funeral service at M. P. H. M. Wednesday, but I wanted to send you a brief note in case something interferred with our getting there. Sincerely, Bart & Harriette*

*Geri was one of a kind. She had a pleasant kind of spunk and a mind of her own and her own way of doing little things. She often talked of her boys and she was so proud of you! She does not have to worry . Take care of each other as she did you. Thanks for sharing her with us @ Brewster Place Health Unit*
