“ *When I think of Mr. Hubbard, I am reminded of the magical trips to we took to school as he drove the yellow school bus. Each was an adventure and provided me with sweet memories from my youth. What a gentle and kind man Mr. Hubbard was and which I keep in my heart.*

I had Mrs. Hubbard as my first grade teacher and I loved her so much! What a loving couple! To Mrs. Hubbard, your influence is lasting. I still remember the turtle in the desk incident from one of our field trips. I presently teach a special day class for middle school students in San Francisco. You are part of the inspiration which inspired me to work with children.
