“ *I just found out. I am so very sorry to hear this sweet wonderful neighbor has left for her heavenly home. I have wonderful memories of your mom. My first memory was watching her make a picture perfect roast with carrots and criss-cross potatoes. Just like in the Better Homes and Garden Cookbooks.*

Scott do you remember scaring her with the garter snake, I heard her screams all the way in my kitchen.

Much love and I will keep you in my prayers. Marla your next door neighbor in Burlington

“ *Nicole & family, We are so sorry for your loss. We met your Mother a few years ago at Lola's coffee shop. We have a nice group of friends that meet for coffee and share stories of our lives. I feel fortunate to have met such a loving and caring woman. She always had that beautiful smile and a story to tell. We've spent the Holidays together, cried and laughed together. She will truly be missed. I wish I hadn't missed her last call. How can this be? My faith tells me she is in a better place, I just wish she was still here. This a great loss to all. If we had more people like your Mother in this world, it would be a better place. We are praying for you and your family over this devastating loss. Jody & family (John's sister, Malia's Aunt)*
