“ *Brynt and Bryndalyn: Thank you for sharing your mother with me when I was living at The Village group home. Riding over to Tutburytown rd and spending it with you was the happiest times in my life. Your mother was an amazing woman. And though I cry writing this, I am happy to have known her and loved her in my life. I still miss her.*

*God bless you Troy. We all loved you just as much and you were very much missed. Mom cried buckets when you left - I think we all did. Best summer ever that summer of 1983 was.*

“ Woody and Bryndalyn, I am so sorry for your loss. My deepest sympathies for the loss of your wonderful mother.

Woody, I never had the pleasure of meeting your mother, but the many things that I learned about her through you, Woody, taught me what an incredible, warm, and kind hearted woman she was and will remain through your life and through your sisters. She left herself in each of you.

My prayers are with you.

“ We are so sorry for your loss and ours. I have known your mother since Dr. Nystrom. She was a friend and someone you could talk to. We will miss her so much,we talked to her after she couldn't work anymore. Would always ask her how her son was and where he was at and also her daughter. Your mother was a great lady and nurse and you both can always be proud of her. Our prayers and love are with you and your family.

“ Brynt and Bryndalyn: We became acquainted with your mom several years ago at Dr. Sampat's office. She was a great lady and we considered her a friend. We had talked to her a couple of times on the phone since she quit working but had no idea she was at Hospice. She talked a lot about both of you with a lot of love and pride. We feel like we almost know you. We will remember your mom as a loving, kind and compassionate friend (and the best nurse in the whole world). Please accept our sincere sympathy.
