“ *We are so sorry for your loss. The fact that she had such a long life does little to soothe the natural grief, I am sure. I just means that a kindly presence that was there for so long is now missing. She treated My Mother, Emma Sheeley, very kindly. Prayers will be said for your family and for Mrs. Gay.*

The stories of our lives are written moment by moment--in how we've loved, in the day-to-day things we've shared, and in the many ways we've touched each other's hearts. We wish you the comfort that your special memories will bring you now.
