“ *Richard and Gail, you have my deepest sympathy in your loss. Harry had been a customer of mine for a long time and we always got along great. He always valued my recommendations and opinions and I always watched out for him. We all at the store will miss him, his heavy New York accent, and wonderful sense of humor. We will keep you and your families and Tillie in our prayers. Richard O'Connor.*

“ *Your heart is empty, because you cannot see him,
Remember the fullness of his love for you;*

*Mourn, because you will miss him,
Celebrate the life you were given;*

*Close your eyes, and grieve for him,
Look around you, and see his life's work;*

*Despair and desolation for loss of him,
Rejoice in cherished memories of his life;*

*Cry, lament, and bow your head in prayer,
Then do as he'd want... laugh, smile, love, and go on.*

*Gail... I know the profoundness of your loss; you're in my thoughts,
my prayers, and I'm here if you need me. Peace be with you, and
yours. ...Sharon*
