“ *Doris and Family - you are all in my thoughts and prayers during this time of loss and grief. Though I didn't know Hazel well - I knew OF her through Doris who has single-handedly cared for her mother with an incredibly loving and giving heart. Without Doris and Phil, Hazel would not have been able to remain independent through all the years since her husband's passing. Doris - I know she treasured your attentiveness and was warmed by your selfless sacrifice. She is at rest. Take heart in that my friend - everyone should have a daughter just like you.*
