“ *Helen was my children and my hair stylist for many years, she always had a warm smile and happy personality. I enjoyed visiting her at her shop connected to the family home, you feel like more than just a customer when you are basically invited into the home. Years later I ran into one her sons in a coffee shop and realized I had met he and several of his siblings during the years Helen did my hair. I was sorry that I had not seen the obituary about her passing. Condolences to the family. Linda Noland-Criqui*
