What a wonderful tribute to Helen. I worked with Helen at Macy's. I always considered her one of my friends and after I quit, would always love seeing her when I was shopping. I also know her daughter Vicky. Helen was a beautiful woman and always so sweet. I didn't know she had that number of children. I was blessed to work with her. Dawn Markham Lindner-LaForge.

“ I first met your Mom when I was a student at Washburn and worked part time at Macys. She was a wonderful mentor and friend. So nice and friendly to everyone, and a wonderful role model. Her smile was infectious. I stopped in at Macys/Dillard's through the years to see her and she never changed. And always so proud of her family. I was hoping to get her to be a volunteer at Stormont Vail when I worked there, but lost out to St Francis. They got a jewel in her. My prayers are with you. Marla Kerby Barker

Thank you for sharing your memories ❤️ She was just recently as last fall talking about going back to volunteer at the new St. Francis satellite that would be down the street from her off of Wanamaker. She never stopped trying to contribute where she could 🌹 We also had noted about all of the young people that she worked with while they were going through school and how she enjoyed getting to know you all.

“ *Helen and I were neighbors on Brandywine Ln as well as co-workers at Macy's and Dillard's. She didn't want me to move to Olathe and would even call me and tell me I could still change my mind. We had lots of visits and pleasant times together. Thinking of all the family.*

“ To the Eakes family & her many friends and admirers,

Helen was a Topeka treasure. She was absolutely the best sales person I ever had the honor to meet in our entire community. Helen was my go to person at Macys and Dillards for many years. She always greeted me by name with her sweet smile and calm demeanor. I could always trust her judgment as she always put her customers first and not just the price of any product she could sell.

Often times when I was passing through Dillards I would just have to stop and say hello to Helen because I enjoyed knowing her so very much. Her kindness and positive personality always put a smile on my face. My sincere sympathy to her family at this time. However, I am totally confident that Helen is smiling at all of you from above. Nobody deserves heaven and enjoying Christ's presence more than this fine lady. God speed Helen!

“ Such a beautiful picture of Aunt Helen. That's how I will remember her; smiling, happy, and always so peaceful and calm. Helen always made a point to say Hi and to ask how I was doing and was genuinely interested in my response. Her gentle and kind demeanor always made me feel at ease. We had something in common in that when I worked at the mall for many years; I would see Helen at Dillard's and we would swap stories about the joys and pains of working in retail, especially during the Holidays, but there was no doubt that she took great pride in her work there and that she was very good at what she did.

To Helens family and to my cousins especially; you are very much in my thoughts and prayers today. Losing a beloved Matriarch leaves a massive empty space in the very heart of her family, Holidays and special occasions will never be the same but they will still come and go. I pray you will eventually fill some of that space with warm thoughts and beautiful memories. I personally have found it helpful just to imagine my Mom sitting there in the room with us, just smiling and taking it all in. I hope you find comfort in knowing what a wonderful and special lady your Mom was to many of us and that she made a positive impact in other peoples lives. She will be dearly missed by all who knew her. Peace and Love to you all.
