“ I dearly enjoyed visiting Helen and hearing her share her faith in the Lord. She loved hearing His Word and always found reasons to smile and laugh through it all. May His promise of eternal life bring you His peace and hope! Pastor Martin

“ Steph, Mark and Julie -
May you find peace and comfort in the lives well lived by your parents and may your hearts be filled with warm memories of family time together. The pictures posted of your beautiful families is a testament to the love you shared..
Enjoyed football Saturdays, with your folks, riding and tailgating together during Mark's KU days. Always pleasant, poised and classy - RIP, dear Helen.

“ The Lee family shares your grief in the passing of your mom. She was a delightful person to be around, and I always considered Helen and Ed as my parents best friends. It may sound hard to believe, but I often think about your parents and the many good times we had together.

“ I knew your mom through different activities at Faith during the many years that we've been members. She was always easy to talk to, and encouraging in her comments. When my mother-in-law began attending church, your mom became a good friend to her, which was so very special to us. Your mom had a Bible Study that brought together many women in that age group...and was such a blessing!

When I was looking through the archives of the Lutheran Fine Arts Council of Topeka, I saw that she was involved with this group when it began many years ago. She helped form this group that is still active today.

Your mom was always ready with a greeting--didn't seem to forget anyone's name. She was an example to follow!!

I know you will miss her--but she lived her life to be where she is now!! My thoughts and prayers are with you!

“ *Mark and family, my heart goes out to you all. This came as such a surprise when I saw this today, as my Dad just passed this past Sunday and his obituary was in the paper today also. I know our folks had a lot of great times together, especially Helen and Mom at the office and in their homes. Please know my thoughts are with you all. I know God is welcoming them both with open arms. Much Love, Angie (Berroth) Taylor*
