“ *My sympathies to Iris' family and close friends during this difficult time. Even though I'd not seen Iris for almost 20 years, the memory of her warmth, smile and laugh are still strong and that memory will stay with all of us for a long, long time. Her contribution to Delta Theta Chi will be missed.*

“ *Dear family of Iris: we were across the street neighbors from 1961 to 1966 in Jewell. Iris baby-sat for our oldest child, Eric (now 47 years of age with three children). We remember Iris as a teen-age girl whose kind manner and personality characterized her relationships. Sorry for her death and your loss.*
