“ *Beattie and Family: I grew up knowing Nadine through my aunt and uncle (Glenrose and Ray Jensen) and at our Harmon family reunions, which Nadine and Beattie attended, I heard fantastic, funny stories about the misadventures of the four of them. Nadine will be missed greatly. My heartfelt thoughts and prayers go out to all of you. Karen Poston Swearingen*

“ I have known and loved Nadine my entire life. She was my mother, Glenrose Jensen's best friend since before I was born. Our sincere sympathies to Beattie and all the family. When Liz and I last visited her the end of August she gave us a loving report on every one of you. She was very proud of all her children, grandchildren and her great grandchild. We know you will miss and we will miss her too.

“ Nadine always bragged about her beautiful children and grandchildren, and now I am blessed with Lane after being a part of the Dickson family. As you all know our Lane was even named after Nadine's side of the family. I am so sorry for the loss of your wife, mother, sister, friend and family member. She will be remembered in a very special way in each of our hearts. My deepest sympathy to each of you. Lori

“ To Beattie, Virginia, David, Daniel, Duane & families, Nadine was always so kind and I enjoyed the times I called on her and the conversations we would have. Growing up in the church with all of you I have so many memories, but I guess what always sticks out in my mind is how all of us had our spots where we sat every Sunday, no matter what and the Dickson family always sat in the front pew on the right hand side. :) May you all find comfort in the memories you shared and peace knowing she is now in the loving arms of our heavenly father. My prayers are with you.
