“ *I send my condolences to the family, especially my good friend, Bonna, whom I worked with for many years at Family Services (formerly Welfare Office). She is very dear to me, and I want her to know I'm thinking of her at this very difficult time.*

“ *Bonna and Iva were good friends with my aunts and mother. Since they moved to Kansas we lost touch and only wrote occasionally. We also miss them at church. We hope Bonna is getting along ok.*

“ *Iva and Bonna were faithful members of Grace Methodist where I was the organist. Their regular attendance at Sunday School, worship and Sew N'Sews was an inspiration to all who were a part of those organizations. We were sorry to see them move to Topeka, but Martha Walter had moved there also so we figured it must be a good place. Bonna, you are missed.*

I know if she could she would be sending this herself. she will be 93 herself this coming May 31. our prayers will be with Bonna whom she also knew and the rest of the family. May God bless and comfort you all at this time.
