“ *Dear Diane, I was so sorry to hear about Jack's passing. I hope you draw comfort from your family and friends at this difficult time. I'm glad he had you to help get him through his battle. I know it doesn't make it easier on you. Rest in knowing that it was Christ's coming that Jack still lives. May God Bless you and your family.

“ *Dear Dianne, We went to Cozumel in Feb. 2002 with Jack. We were with a group with Rusty Greene. We spent alot of time with Jack that week and really enjoyed getting to know him. He was alot of fun on the trip and a good dive buddy. We heard about you and how you were newlyweds at that time. He caught alot of flak about being away from you already. He just smiled and said you had encouraged him to go ahead and go. We particularly enjoyed the day we drove around the island and mooning the camera at the nude beach sign. It took us alot of talking to get Jack to join in on that!!! We always wanted to try to get together again after the trip but just never did. Jack seemed like a truly nice person and we know he enriched the lives of those around him. We know you'll miss him and we are so sorry for your loss. Sincerely, Andy & Tammy Hales*
