“ Jackie was a very special lady in my life. We were very very good friends and I was so happy to see her every time we had an ESA event or when I might be in Topeka. She was a loving and caring person who didn't have a bad thing to say about anyone. The world will miss her wonderful smile. “ Jacklyn and I share many memories of our years together in ESA. When I started my journey some years ago as IC President of our organization, she was always with me every step of the way. Never faltering in her steadfast care and love knowing i would be the International Council President which I was in 1999-98. She never missed a convention and was the first to give me a hug and share her love for me over all these years. I have been in ESA 65 yrs and I will miss our hugs and sharing of our lives. You are all blessed to have her as a mother, grandmother, wife and my friend. My heart and love and sympathy are with all of you. Joan Bourn

Jackie will be missed by so many. She could always be counted on to lead or assist in ESA projects over the many years I have known her. And, she always had a smile and kind words for everyone she worked it. My heartfelt sympathy to her family. May beautiful memories comfort you as they will for so many of her ESA sisters.
