“ *Dear Julie, Greg and Chris:*

So glad Jackie decided to put an obit in the C.J. She said she didn't want to put one in, but I encouraged her to do so. She has had such a wonderful career and life, it would be a shame for others not to know. There were many times she wanted to talk about God and faith and she wanted the same thing for her children. I told her to keep on praying (her prayers are eternal) for them and someday, it might not be in her lifetime, but it would come to pass. There was no doubt that she loved her children dearly, this was very clear. You were so blest to have someone like Jackie as your mother. My life was enriched to have known her. God bless you all.

“ I have been so blessed having Jackie and her family in my life. I will truly miss having those deep conversations with her. She may not physically be here in anymore, but will be in our hearts forever so she will still be close. Julie and Greg, you two have unselfishly given so much of yourselves to give your mother everything she needed, just know she appreciated every bit of it and couldn't have asked for more. She sure loved her children! I'm just a phone call away if you need me.
