“ Jim and family, I am sorry about your Dad. He was a good guy. He was my first boss at Wards and I received my first in the mail Christmas card from him when I worked there. I had no idea who it was from cause I couldn't read his signature. Freaked me out for a few days til I got to talking to people at work and found out it was from your Dad and then really worried LOL! I hope this memory isn't inappropriate to write here, it's just that your Dad was always warm and friendly and I have never forgotten that moment. He will be missed in the lives of the many he loved and touched. You are in my prayers. Barb

“ To the whole Fleshman family, the prayers and thoughts of my family are with you, and I have placed Mr. Fleshman's name in my parish's intentions book. Although I didn't know Mr. Fleshman personally, I know his son Jim, whom I consider to be one of the finest people I know. So I know the kind of man Mr. Fleshman must have been, by the kind of son he raised. I'm so sorry for your loss. Your loss is Heaven's gain. May God bring comfort to all of you, and may that comfort grow stronger every day.

*I was so sad to hear of Jim's passing. Please let me know of ANYTHING I can do for you. My thoughts and prayers are with you and your whole family. Jim was very loved and will be missed. I will miss all of his stories (even though you couldn't believe half of what he told you).*
