“ *Phyl- It seems like this world is so hard sometimes. I wish that I could be there to just cry with you, like I am right now. We know that God promises us a hope and a future to those who are in Christ Jesus. Cling to that promise and know that we will all be together again in the "twinkling of an eye". There will be no more pain, or sadness, or tears or death in that future! For forty years, you and I have been friends- we know that is forever also! All my love, my dearest BFF!*

“ I was extremely sorry to hear about Jim's passing. I hadn't seen or talked to Jim in probably 10 years since moving away from Topeka, but have some great memories of hanging out at your house west of Topeka playing cards and socializing with him. I am very sorry for your loss and my prayers are with your family.

“ I was shocked and saddened to see that Jim has passed away. My heart and prayers go out to you Phyllis, Randy and Lakota. Answers in such a time of loss as this are so hard to find or comprehend. I pray that you will draw nearer to God and He will comfort you and give you strength to find his purpose.
