“ *Ardyce, Brandon and Briana- Remember when, during Holthaus gatherings, Jim and Mike would always tease and bring up being married to sisters who controlled the checkbook and how they had to beg for a new shed, an old car or yet another lawnmower. Then Roger and Arlyn would chime in and things would get blown way out of proportion and Jim would laugh and laugh! We have missed his laugh for quite awhile. We feel in our hearts your loss over the past ten years but are so very grateful for our special times together. Love you XOXO--Your close extended family*
