In 1953, Robert and Winona Diederich were united in marriage at St. Michael's Church in Kimeo, Kansas.

He began his 32-year career in telecommunications with Southwestern Bell as a lineman, working his way to PBX repair when he retired at age 57. Then he enjoyed life. Robert never knew a stranger. “ *My father-in-law is someone I will think of often in my life time, I pattern myself after him to this day, and for the rest of my life. I will always remember him for his loving heart, he would help you with anything. He often came to visit, and when he was ready to leave he would just leave, and I would always laugh, and say he didn't say goodbye. We would work on cars ect, and he would say thing like Bernard you think we should do this, and I would say that would be a good idea, he would do something else. He will forever be a part of my life, glad he gave me a chance to be a part of his. I love you Mr. James Robert Wurtz AKA DAD.*

“ I have a memory of a young Robert riding a tricycle in our home movie with a huge grin and his famous dimples. He was a fun uncle, but also a very helpful one. First if you needed directions, he was your man! But I have a special memory of coming home from work one day and finding Robert helping my dad seed our 2 acre yard. He was working out of Wichita for awhile. While he was there he put together a jelly cupboard I had built. I remember he and dad painting Audrey’s house when he was ill. Always willing to lend a hand. I’m sure he had no problems with directions to heaven. I imagine him and dad having a great of cards!

“ Uncle Robert was always fun to talk to and could really liven up a room with his great sense of humor. I am so glad Randy and I were able to stop by and visit with Robert and Winona last summer when we were passing through Topeka. My sisters and I used to find it so entertaining to listen to the lively and colorful conversation whenever Robert and Dad would get together. He was a sweet man and I will miss him.
