“ *Dear Family ~ Jim and Carol were both very special to us at our dental studio in Lawrence. We always looked forward, with delight, to seeing their names on our schedule and knowing we would have the priviledge of spending some time with them that day. Jim had shared with us some of his loneliness and pain during this past year since Carol's death. I know he was trying so desperately to continue with his life and how difficult it was for him, as is so completely understandable. Dr. Gatti, Leilani, Debbie and I will miss him, as we have missed Carol, and we wish them peace as they are rejoined in death as they were joined in life. May you cherish the many memories you must have of such a special family member. With sincerest sympathy, Marsha Jones*
