“ *Please accept my deepest sympathies on the death of your dear loved one. I'm sure no amount of words can truly express the way you are feeling at this time., However God's Word the Bible can give you much comfort. There it tells us that soon all suffering will end including death and those we have lost in death can live again by means of the resurrection to live in perfect health right here on a cleansed paradise earth. That will fulfill God's original purpose for the earth and righteous mankind. This is a promise from God and it is my pleasure to share it with you.*
