“ My heart is very heavy knowing that this sweet woman has moved on. I remember when me and my sister were much younger and coming down your house to stay the weekend. I will never forget the velvet naked lady wall paper upstairs in you old house. To this day it still puts a smile on my face when you told me to feel it. You treated us like we were your own and always made sure we were cared for.

Martie there is no amount of words that can be said to help with the sadness but you can take comfort in knowing she is in a better place.

“ *My condolences to the family. Jane and I worked together at Hawkins Optical for 24 years. Jane is a blessing to me for she guided me to learn the Lord Jesus. She also shared time with me when we had cancer at the same time. I know she is in a much better place. May God give all of you comfort during this time of sorrow. I will miss you Jane Miller. Love you Martie, Michele and David.*

Well it saddens my heart to hear of this, she is now standing in the presence of the one whom she loved. Jesus, the Messiah. Condolences to her family during this time of grief.

Martie, Mark and Families,

I'm so very sorry to hear about your Mom. She was a very sweet and kind person. I hadn't seen her in a few years. My heart is with you in sadness. Prayers be with you all.

Dear family, I knew Janie back in high school when we both played on a summer softball league team and when we were on intramural teams in high school. She was an active and fun person to know and be with, and it sounds like she lived an active life after our ways parted. I wish you many cherished memories to help you through your never ending time of grief that will bring warm thoughts of her love and smiles to your face. I cannot come to the funeral as I no longer live in that part of the state , but I do cherish the memories I have of her as a young woman and fellow team member. I wanted you all to know she us being remembered from over 55 years ago, so you would know she was someone who counted in our life's as we were growing up enough to never leave out thoughts when we saw her name. May her light still shine down upon you even from heaven.
