“ *I worked with Janet many years at St. Francis and also went to Whitecloud to the flea market collecting our junk. We had the same taste so it was a rush to see who would get the best treasure. She was kind and very caring and always had a positive spirit about her. I am so sorry her time on earth has ended but her new home will be peaceful no sickness no pain just her heavenly smiles looking down on all. Until we meet again Janet. PS I Just couldn't talk her out of not even one of her small whisk broom collection, so I started my own with her help!! ❤️❤️ Terry Stauffer*

“ To Janet's Family. My sincere sympathy in Janet's passing. I went to school at Most Pure Heart and Hayden with Janet and we were friends for those 12 years and beyond. She was a gentle soul and always soft-spoken. We were in Girls Scouts and had many great memories over the years of scouting, Birthday parties, school activities at MPH and Hayden High School. Wishing her entire family Love and Peace at this difficult time.

Janet was a member of the final class to graduate from Stormont-Vail School of Nursing. I knew her parents, Mary and Hans Weiter. I worked at Memorial Hospital, Topeka, as Mary was working there. My mother, Ruth Dodge, worked as a Pharmacy tech at Elkins Pharmacy in North Topeka, where Janet's dad, Hans, was a pharmacist. Lovely family. My condolences to your family.
