“ Dear Aimee and Rhonda - how sad we are to learn of your mom's death...she was a delight to know & many of us will miss her even tho we seldom got to see her in recent years. We remember the good times when you, Aimee, and Jan spent days and nights together. Jan often told of how good a cook your mom was & how nice she was to all your friends. A couple of months ago, I visited with your mom for a long time in the parking lot at Wal-Mart and we had planned to get together more often - it never happened - too often we put off important things only to fall into the "Never" group. You and your families have our sympathy - you are all in our prayers.

“ Aimee, Rhonda and Family,

We are sad to hear of Jan's passing. She was always so good to us. The girls loved going to see their grandpa (Julius) and then heading over to Jan's for popsicles. She even attended quite a few of the football games Mike was coaching.

We are sorry that we will be out of town on Friday for a playoff game and will be unable to attend the visitation. Please know our thoughts and prayers are with you.

“ Aimee and Rhonda .. I am a classmate to Janice from the class of 1960 TCHS WaKeeney KS. Had not talked with Janice for several years but did know from our last class reunion she was still living in Topeka. Did have lunch with Janice a number of years ago when I was 'Topeka shopping'... she had not changed a bit! Laughing, talking all at the same time. It was a good visit! I so enjoyed her as a teenager (growing up together) and talking with her since all of the classmates went various directions.

I had lost track of Rita .. I get to Salina now and then as my oldest daughter lives in Salina. Hope to exchange a few words with you Sat PM.

Peace and Love!

“ *Aimee, Ronda, and Families -*

I want you to know I am thinking of you and you have my sympathy. Jan was such a nice person. She and I talked from time to time and I always enjoyed that - we always discussed our grandchildren as we were both very proud of them. Dustin was very special to both of us and Jan was very proud of her 3 little girls. Take care and you are in my prayers.
