“ *Jan was my dearest friend and her family became my family. From mentoring me as a new teacher at WRMS to supporting me as a single parent to being a student in my water aerobics class at the YMCA, she has always been there for me. These past 17 months have been difficult knowing this was a battle she could not win but she fought with dignity and grace. Heaven has gained an amazing soul whom I will always miss and never forget. R.I.P. Princess Jan!*
